# SPURR'S VENEERS

MR. CHAS. W. SPURR.

*Dear Sir*,—It gives me much pleasure to assure you that your Papered Veneers have proved very satisfactory in my house at Chestnut Hill. They have been in use more than eighteen years, and are now as handsome as they were at first.

Yours truly, LEVERETT SALTONSTALL, BOSTON.

MR. CHAS. W. SPURR, Boston, Mass.

*Dear Sir*,—It affords me great pleasure to express my fullest satisfaction with the beauty, economy, and durability of your "Papered Veneers," I have had them employed in my house, and can well recommend them to anybody desiring the most elegant effects of the combination of different woods at a comparatively low cost.

Yours truly, L. PRANG, BOSTON.

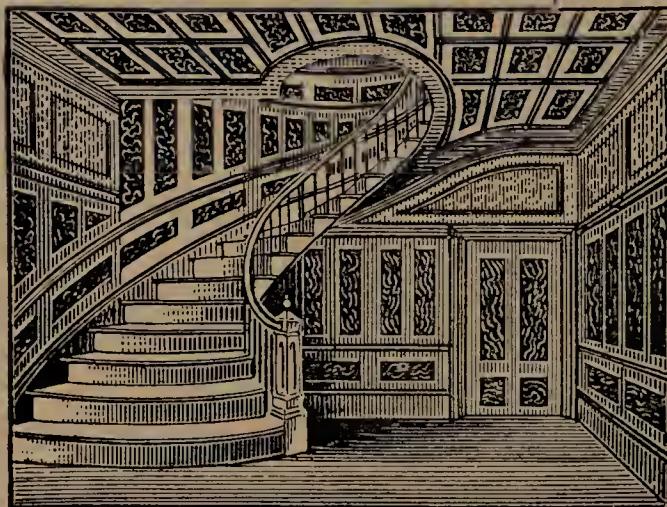

*Dear Sir*,—For the past thirteen years we have used your Patent Papered Veneers exclusively, and with more than thirty years' experience in the use of ordinary veneers, must cheerfully testify that yours are more beautiful and more durable. Nearly every organ we make has panels upon which they appear, and we don't know what we should do without them. We trust you will be rewarded for your ingenuity by receiving all the orders you can fill. Yours truly, THE SMITH AMERICAN ORGAN CO.

"More durable, cleaner, handsomer, and more wholesome than any other decoration"  
—FRANCIS L. LEE, 254 Beacon St.

SEVERE TEST.—"Twelve years' constant use by a large family; walls old and poor when applied."—M. A. BLUNT, Milford, Mass.

"For beauty and durability I can recommend your veneers."—LEVERETT SALTONSTALL.

"After nine years your veneers are as handsome as when applied. Your claims are all proved."—AUGUSTUS PERKINS, 112 Beacon Street.
